# Chiara Buttazzi

Global Site Activation Manager presso IQVIA Italia  
Milano, Lombardia, Italia

## Esperienza

### IQVIA Italia

Global Site Activation Manager  
marzo 2020 - Present (5 anni)

### IQVIA

Sr. Regulatory and Start up Specialist, ad Interim RSU Manager  
gennaio 2014 - marzo 2020 (6 anni 3 mesi)

Milano, Italia

Working for more than 19 years in clinical research, joining Start Up groups. Performing all procedural steps for clinical trials authorization (phase I, II, III & IV, observational studies, in different therapeutical area): preparing regulatory submissions, local EC submissions, adapting Informed Consent Forms, contract negotiation and IP –release process. Experienced in both local and international trials. Good knowledge of all Italian legislation.

I'm responsible for the following activities also:

- Local point of contact for Sponsor Astra Zeneca Italia
- act as a mentor for new resources
- part of the team who collaborates with management for the development of strategic decision for Start up group

From April 2019 I'm interim Start up Manager (replacement for a maternity leave ): management of resources, check of monthly goals, allocation of the resources to the new projects, verify of the delivery of the projects in terms of timelines of activation and quality. Direct interface with the local Management group.
